

Quality Policy Statement

As part of the Integrated Management Systems (IMS) documents have been established in line with our company business strategy. AMS recognises that successful, quality management is fundamental to its business and is committed to the continual improvement of all relevant processes and procedures to ensure all standards are met and/or exceeded. We strive to provide quality products and services which meet or exceed our customers' expectations

By informed choice to control the processes of AMS, the Managing Director accepts overall responsibility for determining this policy.

AMS objectives are:

1. To continually review the suitability of our IMS policies, procedures and working practices and implement identified improvement opportunities through audits.
2. To comply with all relevant legislation, regulations, other legal and industry requirements and agreed contractual requirements.
3. To increase awareness through risk reduction controls and awareness training
4. Continue to communicate with our customers and improve customer service - Measurable through customer feedback forms.
5. To work to ensure the quality of the product and services delivered to our customers consistently meets or exceeds their expectations.

To ensure these intentions are achieved, AMS has implemented a Health, Safety, Environment and Quality Management system throughout our operations, which is mandatory for all employees and is designed to comply with the requirements of ISO 9001:2015, ISO 14001:2015 and ISO 45001:2018 plus all applicable Industry Scheme requirements.

George Aitkenhead

Managing Director
